

Diary Entries for 1894

by

Charlotte Thorn Lewis

Charlotte Thorn Lewis (1823-1916) was the daughter of Isaac Thorn and Mary Woolley. She was born in Bordentown, New Jersey. In 1848, she married Enoch Lewis (1821-1902). They were reform activists and were friends of many of the most prominent reformers of the day including William Lloyd Garrison, Jane Addams, and Susan B. Anthony. This tradition of involvement in reform politics was continued by their children. Enoch Lewis was General Superintendent of the Pennsylvania Railroad 1860-1866 and Purchasing Agent for the company from 1866-1893. In 1880, the family lived at 224 Green St. in Philadelphia. In 1886, they moved to a new house at 3405 Powelton Ave.

Charlotte kept the diary in simple composition notebooks from 1880 until 1913. It was made available by her great-great-grandson, Richard Burnham Lewis.
